How long have you lived on Diamond Cove: 1 year

Are you currently employed full-time? Yes ☒ No ☐

Briefly describe your background (you may also attach a more in-depth bio if desire)

I own Dirigo Business Group of Maine on Federal Street in Portland, a business broker firm where I represent business owners selling their company. My background is in Marketing where I've worked in travel, publishing, and retail. I previously was the general manager of a sporting goods company in Holliston, MA where I had 20 people reporting to me.

I received my BA from Tulane University and have a Masters Degree in Communications from Boston University.

I'm a member of BNI Profit Partners (South Portland) and New England B to B networking groups.

I've been married to Jody Comins for 22 years and have two daughters, Talia (20) and Elizabeth (17).

What activities, events, programs, and/or amenities do you enjoy on Diamond Cove?

First off, I can't say enough how great the RAs have been during our first few months on Diamond Cove. During our winter & spring construction activities, they have been patient with our fire alarms, empty oil tanks, etc.. Secondly, as summer arrives, I'm looking forward to meeting more of the islanders and spending time the fourth of July celebrating with the community.

Please provide an answer to the question: "Why I would like to be elected to the Diamond Cove HOA Board of Directors?"

I grew up in Islesboro, Maine where my father was Town Manager, Selectman and Planning Board Chair. My mother was the town librarian and served as Selectman as well. I was raised to be involved in our community and give back when the opportunity arises. I am also aware of the challenges associated with island living and what it entails. We are so excited to be part of Diamond Cove and I look forward to serving the association.
